

ITB | Agenda

2nd AUN/SEED-Net Regional Conference in Manufacturing Engineering (AUN/SEED-Net - RC ManuE 2009)

When	7-8 Desember 2009
Where	Sheraton Bandung Hotel and Towers, Bandung Indonesia
Organizer	FTI - ITB
Category	ITB
Link Agenda	http://rcme2009.lspitb.org/

Scope and Topics The theme of the conference is Current Ideas, Trends and Practices in Manufacturing Engineering. The program committee solicits high quality papers containing original contributions in all areas of theory and applications of manufacturing processes, manufacturing technology, manufacturing industry practices, manufacturing engineering education, material processing, manufacturing systems, CAE/CAD/CAM/CIM systems, product design and development, ergonomics and human engineering, e-manufacturing, rapid prototyping, mechatronics and robotics, industrial automation, biomedical engineering including but not limited to: environmental systems, life cycle assessment, information technology, concurrent engineering, decision support systems, intelligent data mining, technology transfer, nanotechnology, human-friendly welfare robots, industrial robots, educational and entertaining robots, biomedical robots, agricultural and environment robots, adaptive control systems, intelligent sensors, control actuators, intelligent automation, intelligent machines, neural networks, fuzzy logic, genetic algorithms, evolutionary computing

Regular Paper Submission

Authors should electronically submit full paper in PDF or MS WORD document usually limited to 6 pages, however, exceptions are considered in the merit of quality of the articles. Detailed requirement for the format of full papers can be seen at the AUN/SEED-Net - RC ManuaE 2009 document (IEEE) template. All papers should be sent via email to rcme2009[at]lspitb.org. The first page of the paper must contain the title, names and affiliations of the authors, email address, and four keywords/phrases. Please identify the corresponding author giving full contact information including email address. Proceedings and CD ROM

Conference official language is English. Each paper for publication in the AUN/SEED-Net - RC ManuaE 2008 proceeding will be reviewed by independent referees and the final acceptance for publication of the submitted article is based on a majority vote of referees. Authors will be provided referee's comments when the review results are returned. A CD-ROM will be provided at the conference. A hard copy for the proceedings will be available at an additional charge and will be mailed after the conference to those who will request for it.

Important Dates

- * **Deadline for submission of full paper September 28, 2009 (Oral presentation, Poster presentation)**
- * **Notification of acceptance - October 26, 2009**
- * **Deadline for submission of full paper (camera ready format) - November 9, 2009**
- * **Deadline for accepted paper registration - November 16, 2009**

* **Participants without paper may register at the conference venue. Conference Fees** The conference fee includes the cost of the conference proceeding, admission to all technical sessions, banquet, lunches, refreshments and CD proceedings and conference kit.

* Professional Rp 1,200,000-

* Student Rp 600,000- (conference kit only)

2nd Regional Conference on Manufacturing Engineering 2009 AUN/SEED-Net

Secretariat Institut Teknologi Bandung

Leightweighth Structure Laboratory PAU Building 3F,

Jl. Ganesha 10,

Description

Bandung 40132

Phone: +62 22 251 2971

Fax: +62 22 2512972

E-mail: aunseednet[at]ae.itb.ac.id

Conference Organizer

Asean University Network / Southeast Asia Engineering Education Development Network (AUN/SEED-Net), Asean Foundation, Universiti Malaya and Institut Teknologi Bandung

Local Organizing Committee

Steering committee:

* Prof. Abdul Hakim Halim

* Dr. Dwiwahju Sasongko

* Aznijar Ahmad-Yazid

General Chair:

Dr. Anas Ma'ruf

Secretariat:

Ms. Shinta Puspita

Members committee:

* Dr. Tatacipta Dirgantara

* Dr. TMA. Ari Samadhi

* Dr. Rachmawati Wangsaputra

* Dr. Iwan Inrawan Wiratmadja
