

Circular Letter of ITB Rector
Number: 160/11.B05/LL/2020
Extension of on-Campus *Tridarma* Activity Restriction Policy

ITB is closely monitoring the latest developments surrounding COVID-19 emergency responses and measures of on-campus COVID-19 mitigation; therefore, ITB has stipulated on-Campus *Tridarma* Activity Restriction Policy as follows:

1. To extend the period of on-campus activity restrictions until May 29th, 2020 pursuant to the National Extraordinary Event Provisions by taking the following measures:
 - a. curtailing on-campus *Tridarma* activities without limiting ITB's roles in protecting the community from COVID-19;
 - b. extending the period of online learning through the end of the Semester II in the Academic Year 2019-2020;
 - c. adjusting ITB Academic Agenda to the maximum extent possible by still referring to the existing ITB Academic Calendar;
 - d. maintaining an atmosphere conducive to the implementation of on-campus activity restriction policy by involving effective participation from Executives of Faculties/Schools and Supporting Units
2. To cancel the April 2020 Commencement Ceremony as evidence of ITB commitment to Indonesian people and the nation to fight against COVID-19. For students who have completed their studies and whose graduation date is set on 24 March 2020, their *testamurs* and other aspects related to their rights for receiving the academic degree will be granted in the manner it deems appropriate.
3. To provide special services to students who are in difficult circumstances:
 - a. providing support and assistance to ITB students, especially *bidikmisi* and affirmation program students, foreign students, and students who remain in the on-campus housing;
 - b. calling ITB students, either those who live in Bandung or those who will return to their hometowns, to follow the prescribed security and safety guidelines.

Latest information regarding the actions which ITB has taken can be accessed on this site: <https://www.itb.ac.id/covid19>.

To all of those who have taken active roles and initiatives in responding to COVID-19 outbreak, ITB Rector along with ITB officials expressed their gratitude and utmost appreciation.

Bandung, 26 March 2020
Rector

Prof. Reini Wirahadikusumah
