INTERNATIONAL PROGRAMS
ABOUT ITB

Established in 1920 as Technische Hoogeschool te Bandoeng (TH), Institut Teknologi Bandung (ITB) stands as Indonesia’s premier technical education institution. Over a century, it has evolved into a top engineering university with global recognition and accreditation. ITB pioneers advancements in science, technology, and the arts, boasting internationally accredited study programs and a conducive academic environment. With a diverse teaching staff and cutting-edge facilities, including laboratories, libraries, and web-based learning systems, ITB fosters collaboration and excellence in education and research on a global scale.

• Multicultural, Globally Linked
• Growing-Dynamic Nation with Potentials
• Entrepreneurially Inclined Business Education
• Diverse Faculty Members
• Linked to Local Communities and Companies

Given the learning environment, track record, and reputation, ITB is confident in offering a diverse range of undergraduate and postgraduate programs to prospective international students from various countries.
